RE: Good News - Manulife Provides Reduction in Dental Premiums for June, 2020

Dear Brothers and Sisters in Christ,

Covid-19 has been a challenge for all of us including the fact that we have not been able to visit the dentist's office unless there was an urgent issue. Manulife is providing us with a credit towards our dental premium for June, 2020 because dental claims plummeted during the lockdown. Here is how we will be applying the credit:

- For the June, 2020 billing, we will be eliminating both employers' and active members' dental premiums. In other words, employers and members do not have to pay dental premiums for June. We will adjust your billing accordingly.

Regular Premiums will resume for the July billing.

We will post this letter on the Worker Benefits website www.lccbenefts.ca
